# Instructions for Form C-8000KP, Schedule of Partners

**Purpose:** For all **partnerships** to determine eligibility for the partnership's standard small business credit or alternate tax and which partners qualify for the increased exemption.

① **Note:** For purposes of computing the statutory exemption and the small business credit, a member of an LLC is treated as a partner if the LLC is taxed as a partnership.

For claiming an increased statutory exemption, a **qualified partner** is one who:

- Spends at least 51 percent of his or her time working in the business (i.e., column C is 51 percent or more), **and**
- Owns at least 10 percent of the business (i.e., column D is 10 percent or more), **and**
- Has a share of business income in column E of at least \$12,000.

## Line-By-Line Instructions

*Lines not listed here are explained on the form.*

**Line 2, Account Number.** Enter the same account number used on page 1 of the Annual Return.

### PART 1: Partner Identification

#### Line 3 (Columns A-E).

**Columns A and B:** Identify each partner (including corporation and trust) by name and Social Security number. Corporations or trusts should be identified using Federal Employer Identification Number (FEIN) or Michigan Treasury (TR) number.

**Column C:** Enter the percentage of each partner's time spent working in the business.

**Column D:** Enter the percentage of profits or capital interest of this partnership owned by each partner. If a partner owned this interest for a period less than the partnership's tax year, multiply that partner's percentage of ownership by the number of months owned and divide the result by the number of months in this partnership's tax year.

**Column E:** Enter each partner's distributive share of income, losses and deductions from U.S. 1065, *Schedule K-1*. See partnership business income on Worksheet 3, on page 18. Each partner's distributed share includes guaranteed payments to partners. If any partner has a share of business income in column E of over \$115,000, the partnership is not eligible for the standard small business credit or the alternate credit.

### PART 2: Qualified Partners for Statutory Exemption

**Line 5.** Enter the total number of partners who qualify for the increased exemption (if more than 5, enter 5). Enter this same number on Form C-8043, *SBT Statutory Exemption Schedule*, line 8a.

For short-period returns or part-year partners, the partner's share of business income must be annualized to meet this requirement.

① **Note:** A person cannot be a qualified partner or shareholder in more than one business.

#### Example of Qualified Partners

Business Income reported on Form C-8000, line 11, equals \$34,000, which includes guaranteed payments to partners of \$18,000. Guaranteed payments to partners are assigned to the appropriate partner, in this case \$9,000 each to partners A and B. Each partner's distributive share of the remaining income is then calculated based on the percentage of the partnership owned.

<u>Partners</u>	<u>%Time</u>	<u>%Own</u>	<u>Share</u>
A	100	25	\$13,000
B	100	25	\$13,000
C	0	50	\$ 8,000

Only partners A and B of this partnership qualify. Both A and B devote at least 51 percent of their time, own at least 10 percent of the business and have business income of at least \$12,000. Business income of A and B includes \$4,000 ordinary income plus \$9,000 guaranteed payments.
